

Vision-Provide a true low cost racing opportunity for new racers and current SCCA racers.

Format

- Two or more drivers share one car.
- Practice, Qualifying, 2-60 minute races, 1-90-minute race (or 3-60-minute races).
- Driver change required for each race.
- Refueling allowed for the 90-minute race.

Brackets

- Determine 5-6 brackets after qualifying
- Each bracket will cover about a 2-second range.
- Set a fastest allowable time for the track you are running on.
- If a driver runs a faster lap time than their bracket, they move to the next fastest bracket.

Car Preparation

- “Run what you bring” is the philosophy of this series.
- T3 and slower cars
- 350 HP limit
- Must meet all safety guidelines per GCR (roll cage, seat, window net, fire extinguisher)
- Modifications to drivetrain, aero, bodywork, suspension are open.
- Must look like a race car.
- Not sure? Get Race Directors approval ahead of time.
- Tires-open. Race tires put you in a faster bracket, 200TW will put you in a slower bracket.
- Must pass SCCA annual tech. Cars will be issued a logbook if they don’t already have one.

Teams-may only have one driver with a SCCA Runoffs Championship/SCCA Pro/IMSA license.

Licensing

- SCCA, NASA, ChampCar, Midwestern Council, WRL, Porsche Club and other race organizations are acceptable.
- Drivers without a competition license may also participate if they have 2-hours of track time. (Track Night in America, Track Days, Time Trial etc.).

Driver Meetings

- All drivers are required to attend all meetings as per CRE.
- Saturday morning.
 - Driver etiquette
 - Meaning of flags
 - Basic race craft
 - Absolutely no car-to-car contact.
- Saturday evening-debrief and observations of drivers
- The TBEC Race director closely monitors and helps drivers all weekend. Acts as a mentor.
